

New Members

The Chamber Membership Committee and Board of Directors approved 4 new Members in the month of November. They include:

Mike Hurst Construction

PMH Insurance

Avina Specialties

Maumee Valley Bottlers

We heartily welcome these new Members and note that each of them are taking advantage of either our Anthem Health Insurance benefit or one of our Workers Compensation Pools. Are you taking advantage of the benefits of Chamber Membership? Do you know of another business that could be? Check the box below to see the benefits and let us know in the office if you have any questions or would like to sign up!

Hi Fives

To **ProTeam Corvettes** for achieving national recognition for “The Last Sting Ray”. On the day after Thanksgiving while we were finishing off the last bits of turkey, **ProTeam** was being featured in a 6 part documentary on the Speed Channel focusing on their 1967 Corvette #22940 – the last Sting Ray – and the history of the Corvette nameplate. This car has a great story behind it and Terry Michaelis and his staff turned it into an opportunity to promote their business and the area as a whole. Usage of **ProTeam’s** website skyrocketed to unprecedented levels during the marathon. The Speed Channel will begin showing the episodes one hour at a time on December 7th. Check your listings and tune in – the shows are great and the publicity for our area and their business is invaluable! The car will also be sold the famous Barrett-Jackson Auction in Arizona in January ’07. They will be sure to get even more notoriety from that event, as well.

To the Volunteers, City Crews, Village Crews and individuals who have helped to decorate our communities across Henry County for this holiday season. I said it during our live remote coverage for the Henry County Parade and Tree Lighting – for these folks to care so much about

their surroundings to give their time and effort we are very thankful. I sure can’t operate a bucket on a cherry picker, but I can send a hearty thank you out. Hopefully, those around us stop during this hectic time to appreciate the hard work that goes into “making the spirit bright” for everyone else. Thanks to each of you – your efforts have made everyone’s holiday better!
