Recap of December Special Membership Meeting

The Board of Directors of the Napoleon/Henry County Chamber hosted a Special Meeting for the Membership on December 18th. The goal of the meeting was to make small changes to the Articles of Incorporation for the Chamber.

Three changes to the Articles were approved. The first changed wording in the Purpose of the Chamber to reflect all of Henry County. The second change clarified language on the election of officers. The third alteration codified the makeup of the Executive Committee of the Board of Directors.

Our Board is always striving to solidify the function and professionalism of the Chamber. We feel the small changes help the company as me move forward for the future.

A special thank you goes out to all who attended and to the **Henry County Hospital** for hosting our December Board meeting and the Special Membership meeting. Your hospitality is always outstanding and an asset to Henry County.

Membership Committee Begins Member Benefit Survey

The Chamber's Membership Committee is once again beginning the process of reviewing the Benefits offered to Chamber Members. Part of the effort for 2008 will include a survey that will attempt to pinpoint the effectiveness of our current Member Benefits and help us identify new areas to establish Benefits.

As a Member, you will be receiving one of these surveys by mail. You will have the option of replying by mail, by email or by dropping off the survey to our office. Even if you are not currently using one of our Member Benefits, we are interested in hearing from you on the programs and your perceptions of them.

Our Member Benefits are cornerstones in the effort to help your company and any feedback we receive will only help us improve.

Look for the mailing – and thank you in advance for your feedback and opinions.

Chamber Window Display Available

Each year, we make display space in the Chamber building window available to you and your business or organization. This year is no different.

The display space is available by the month and is first come – first served. If you are interested, or have questions, please contact Carol Small in the Chamber office at (419) 592-1786. She will be glad to help you get set up.

The space is very visible in Downtown Napoleon and could be an asset for your business.

There may be some months that are unavailable due to improvements that are scheduled to be made to the front of the Chamber building in
