

“Chamber Dollar” Gift Certificates Hit the Streets!

The end of the Holiday season sees a surge in usage of “Chamber Dollars” each year in Henry County – and 2008 will be no different. Your business may be seeing an increase in the number of gift checks that come in to your location, as this year was another banner year in the program. For the 2007 Chamber fiscal year, the “Chamber Dollar” program took in over \$99,000. That means just under \$100,000 stayed in our local economy, thanks to those purchasing the “Chamber Dollars”. Henry County thanks you for your commitment!

“Chamber Dollars” should be treated as checks when they come into your business. Merely stamp them for deposit and the funds will come out of our “Chamber Dollar” account. We ask for your support for the health of the program by handling the balance of a Chamber Dollar after a purchase in a manner that will satisfy the person who brought the certificate in. Over the last few years, we have made a concerted effort to break down large certificates into a number of smaller denominations to make using them easier.

If you have any questions on the “Chamber Dollar” program, give us a call at 592-1786 or email us at hccoc@ohiohenrycounty.com.

Limited Number of Chamber Campbell Ornaments Still Available

If you missed out on giving someone a gift or want to reward yourself using some newly received Christmas money – we still have some 2007 Chamber Christmas ornaments available in the Chamber office.

The 2007 ornament commemorated the 50th Anniversary of soup production at the Napoleon Campbell Soup plant. The ornament was very popular and would look great on your '08 tree!
