

## New Members

The Napoleon/Henry County Chamber welcomes **Napoleon Alive, Inc.** to the organization. **Napoleon Alive** is a group designed to highlight Downtown Napoleon. They feel the Napoleon community is united and committed to sustaining a vibrant and proud downtown. And, that through public-private partnerships, they celebrate the downtown's past and embrace its tremendous resources to enhance the future as the civic, cultural, economic and social heart of Henry County. For more information on **Napoleon Alive**, contact President Chris Peper at (419) 592-4476.

The Chamber also welcomes **Sandra L. Seiple Financial Services, Black Swamp Equipment** and **Signature Sound**.

June 24 – Chamber Board of Directors Meeting @ Chamber Basement 7AM

## Downtown Planters Have New Look

Thanks to Master Gardeners Sheryl Ramsey, Lois Hanna, Bonnie Eddy, and Tammy Spillis, Napoleon's downtown planters are sprouting their new spring/summer foliage. Gone are the wintertime spruces and a few of them have added to the scenery and hazards at the Napoleon Golf Course.

This year a number of downtown businesses have adopted the seventeen planters for watering and general upkeep. They are:

<u>Businesses</u>	<u>Planters</u>
<b>Napoleon Wash N Fill</b>	River Bridge (2)
Maumee Valley Restorations	Perry & Riverview
<b>Snyder Chevrolet</b>	Perry & Riverview
<b>Cattails</b>	Perry & Washington (4)
<b>Brenda's Tax Consulting</b>	Perry & Clinton
<b>Kurtz Ace Hardware</b>	Perry & Clinton
<b>Howard's Friendly Service</b>	Perry & Clinton
<b>Beck's Construction</b>	Perry & Clinton
Family Video	Scott & Clinton
<b>Circle K</b>	Scott & Clinton
<b>Ivy League</b>	Scott & Washington (2)
<b>Country Gourmet</b>	Scott & Clinton

Big thanks go out to these businesses who have volunteered to enhance our downtown with a splash of summertime color.

## Napoleon FD Looks to Help Businesses Into Safety

Napoleon Fire and Rescue has always strived to provide the Napoleon community with the highest possible service. Part of that service centers on fire prevention and inspections. Business and property owners play a major part in insuring the future of Napoleon is bright, prosperous and safe.

To this end, the FD has teamed up with the Chamber to host an informational meeting on the Fire Code Self Inspection program they have developed to ease the process for building owners. If you have the information in your hands before an inspection – you have the power to make your property safe proactively.
